Subjects and grades or marks at school:	Although I am bubbly and fun loving I have a very serious side. I am very independent, determined and ambitious (I get this from my mom). I dream big and am happy to put in extra hours to achieve my goals. I have never required much guidance (in the studying/work department) from my mom. I am self motivated and always get the work done. In school I balanced a social and academic lifestyle (with no pressure from my mom). I achieved great

	marks throughout high-school and have bragging rights for being top of my class in grade 10, 11 and 12. I matriculated with a distinction. I have great leadership skills. I am currently in a senior position at work. At school in grade 12 I was honours student (leader/head student).
What is the name of any course/degree completed?	None compleed - completeing my BSocSci
Planned studies:	I love my job and studies. I previously dreamed of being an environmental lawyer however, I chose anthropology as my second major and fell deeply in love with it. I would like to make my mark (a big one!) in the world of anthropology. Thus, travel and see as much of the world as possible and see how different people live. I dream of exposing the exploitation of people, animals and the earth as these are issues I feel strongly about. I am somewhat of an activist. One of my biggest goals is to be a pioneer in the Anthropology of Social Media field. I believe my current job allows me experience in this field. I am fascinated by the online world and the possibilities.

Confirmation

I have only made myself available as an egg donor with baby2mom:	Yes
Please advise any specific donation criteria other than those mentioned:	I will donate to any race group but one of the parents has to be white/caucasian. I only say this because I would not want a child to be brought up feeling lost or confused.
All information provided is correct and pictures are all of me. I agree to keep baby2mom	Yes

updated with the donor program (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated regarding my availability and regarding egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronize my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:
