**Confirmation**

I have only made myself available as an egg donor with baby2mom:	Yes
Please advise any specific donation criteria other than those mentioned:	None
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor program (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated regarding my availability and regarding egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronize my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor.	Yes

I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:
