

## A - LM 2187, Midrand

Availability status:	Available now in Johannesburg and Pretoria
Race:	Black/ African
Age:	29
Hair colour:	Thick brown hair
Eye colour:	Brown eyes
Has children:	No
Proven donor:	Yes
Post matric studies:	Yes
Other physical information:	1.8m., 63k., fair skin complexion, long fingers.
Face shape:	Inverted Triangle
Other personal information:	South African nationality, Christian. Candidate loves reading, writing poems, shopping, singing, socialising, animals, cooking and eating. She is outgoing and has a wonderful sense of humour. She is currently a student. Non-smoker. Reason for donating: I want to be an egg donor to help those who want to have babies but are unable. At this age on the other hand I feel I'm not ready to have a baby myself, so why not help someone who is ready and cannot as yet.
Reproduction history:	No children and good quality eggs in previous donation.

Views on religion and spirituality:	I respect everyone around me, having different religions does not make us any different.

**Egg Donation Stipulations**

Please indicate if you have any donation conditions or criteria such as persons to whom you prefer not to donate:	None
Preferred town to donate:	Johannesburg
Towns available in which to donate - travel costs will be covered:	Johannesburg, Pretoria

**Confirmation**

I have only made myself available as an egg donor with baby2mom:	Yes
Please advise any specific donation criteria other than those mentioned:	No
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor program (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated regarding my availability and regarding egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronize my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:	Yes
