

## A - NS 2519, Johannesburg

Availability status:	Available now in Johannesburg and Pretoria, coastal regions - travel costs
Race:	Black
Age:	32
Hair colour:	Black hair
Eye colour:	Brown eyes
Has children:	No
Proven donor:	Yes
Post matric studies:	Yes
Other physical information:	1.57m., 59kg., medium skin complexion, curvy build, size C cup, size 3/ 4 shoe, big eyes
Face shape:	Oval
Other personal information:	South African nationality, Mozambique ancestry, Pisces star sign. Candidate is a God-fearing, straight forward perfectionist. Honesty is very important to her. She is full of life, self-motivated and has a strong religious background of Christianity (two pastors in the family) with a good sense of humour. She is pursuing a degree in law with UNISA and comes from an academically accomplished family. Non-smoker. Reason for donating: I will be overjoyed to give someone a pure blessing of

	having to become a mother and father, making a difference in the world and allowing two individuals a priceless joy of a family. Thank you in advance if you choose me as your donor and will gladly donate again in the future, I have experienced within my close family the pain of not being able to conceive a child and this is what motivated me and I will be very happy to make a change in someone's life with my donation.
Reproduction history:	Proven egg donor and no children.
Views on religion and spirituality:	I am a devoted GOD fearing Christian, I serve at church as an usher and am from a very spiritual family, both my grandfathers were pastors

Preferred town to donate:	Johannesburg
Towns available in which to donate - travel costs will be covered:	Johannesburg, Pretoria

### Confirmation

I have only made myself available as an egg donor with baby2mom:	No
Please advise any specific donation criteria other than those mentioned:	None
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor program (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated regarding my availability and regarding egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronize my menstrual cycle with that of the recipients and	Yes

<p>will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:</p>
