

A - RV 2809, Johannesburg

...and a baby2mom.org donor

Availability status:	Available now in Johannesburg and Pretoria, other regions - travel cpsts
Race:	Coloured
Age:	26
Hair colour:	Thick black hair
Eye colour:	Dark brown eyes
Has children:	No
Proven donor:	Yes
Post matric studies:	No
Other physical information:	1.66m., 49kg.
Face shape:	Oval
Other personal information:	South African nationality, O-blood group, of Xhosa, Khoi San, German and Cape Malay ancestry, Scorpio star sign, Christian. Candidate was a Psychology student, is now employed as product consultant for a cellphone company. She is an introvert, gentle, fairly shy, caring, tough, social as well, mysterious and creative. She played first team, also basketball, cricket and soccer. Non-smoker. Message to recipient: Hello there Parents :) I truly believe there is a divine purpose to everything faced in life and the only ultimate is a

	blessing. Whether by this profile or any other, I truly hope your blessing is on its way to you soon... and with that an irreplaceable feeling of fulfilment, never give up hope or lose faith. With love, Me :)
Reproduction history:	No children and proven egg donor.
Views on religion and spirituality:	I am Christian, so as such my spiritual belief is derived from that. I am however more focused on spirituality, practiced religion is just a source of energy to guide the spiritual process. I strongly believe that whatever you truly believe in will work for you, and it is very important to remain open minded as the spiritual realm is very fluid and answers can come from numerous sources.

Confirmation

I have only made myself available as an egg donor with baby2mom:	No
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor program (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated regarding my availability and regarding egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg	Yes

donation. I agree that I will be prescribed medication to potentially synchronize my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:
