Additional Donor Information

Initial Information

In which town and province do you live?	Randburg, Gauteng
Nationality:	South African
Where were you born?	Glen Cowie
What language(s) do you speak?	English, Sepedi, Sesotho and Setwana
Year of birth:	26 August 1995
Age:	26
Star sign:	Virgo
Blood group (if known):	Unknown
Why do you want to be an egg donor and if you had a message for your recipient what would it be?	I want give a woman or a family that is struggling to produce their own child a gift of life. I want to change someone's life and bring happiness to their home. My message to my recipient is that you are a beautiful and special human being, never let things of this world pull you down. If you are struggling to give birth that doesn't make you less of a woman or erase your female side.
How do you best describe yourself?	I am introvert, shy and dedicated to what I do. When I am after something I can go an extra mile for it. My weakness is that I don't like being disappointed because I already get disappointed so many times and I am tired of that. My strength is that I am a good team player and I like taking risks. I went to University of Johannesburg and I went to study Bachelor of Accounting.

Preferred town to donate:	Johannesburg
Towns available in which to donate - travel costs will be covered:	

Confirmation

I have only made myself available as an egg donor with baby2mom:	Yes
Please advise any specific donation criteria other than those mentioned:	None
<p>All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor program (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated regarding my availability and regarding egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronize my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:</p>	Yes
