Additional Donor Information

Initial Information

In which town and province do you live?	Johannesburg, Gauteng
Nationality:	Portuguese
Where were you born?	Angola
What language(s) do you speak?	English, Portuguese, French, Spanish, Kriolo
Year of birth:	1999
Age:	21
Star sign:	Aquarius
Blood group (if known):	Unknown
Why do you want to be an egg donor and if you had a message for your recipient what would it be?	The reason behind wanting to become an egg donor, is that I believe that every woman should be able to experience motherhood and there really isn't any better way of helping out than donating eggs. I've always wanted to be able to help people on a larger scale and I believe that this is it.
How do you best describe yourself?	I am a very energetic and enthusiastic individual but I tend to be soft spoken, shy and a bit quiet at times. I'm goal driven and motivated. I would say I am a bit of a nerd but also a jock. I love science and writing but I also love sports and dancing and keeping fit.
Relationship status:	Single
Are there any medical or psychological concern areas we should know about?	No

--	--

Please indicate if you have any donation conditions or criteria such as persons to whom you prefer not to donate:	None
Preferred town to donate:	Johannesburg
Towns available in which to donate - travel costs will be covered:	

Confirmation

I have only made myself available as an egg donor with baby2mom:	Yes
Please advise any specific donation criteria other than those mentioned:	None
<p>All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor program (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated regarding my availability and regarding egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronize my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:</p>	Yes
