

## S - AP 3273, Kempton Park

Availability status:	Available now in Johannesburg and Pretoria
Race:	Black
Age:	24
Hair colour:	Brown
Eye colour:	Brown
Has children:	No
Proven donor:	No
Post matric studies:	Yes
Other physical information:	1.53m., 56kg., light brown skin complexion, pear body shape
Face shape:	Oval
Other personal information:	South African nationality, Christian. Candidate is employed as a flight reservation agent. She loves helping people as it brings joy to her heart. She is a very open person but at the same time, very cautious and appreciates art, imagination and new things. Non-smoker. Reason for donating: It is the most wonderful feeling ever to know that you are helping a couple that really wants to start a family. To know that you are making a couple's dream come true. I would be really proud of myself for doing this I feel like this is my

	purpose in life as I do not intend on having my own children but if God were to bless me with a child of my own I would be delighted. Children are the best gift of life and it would warm my heart knowing that I can give other people the gift that that they can love and cherish daily.
Reproduction history:	No children and no donations as yet.
Views on religion and spirituality:	I believe in God and I maintain my relationship with him by praying and giving thanks to him.

**Confirmation**

I have only made myself available as an egg donor with baby2mom:	Yes
Please advise any specific donation criteria other than those mentioned:	None
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor program (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated regarding my availability and regarding egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronize my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation	Yes

on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:
