

S - AS 3917, Boksburg

Availability status:	Available now in Johannesburg and Pretoria
Race:	White
Age:	20
Hair colour:	Brown straight
Eye colour:	Green
Has children:	No
Proven donor:	Yes
Post matric studies:	No
Other physical information:	1.59m., 60kg., smaller frame
Face shape:	Oval
Other personal information:	South African nationality, Christian, A+ blood group. Candidate describes herself as the perfect example of an ambivert (someone who falls in the middle of the introvert/extrovert continuum). She loves going on adventures like hikes, road trips, and going out with her friends, but would be equally content with being at home in her bed, reading a book or five on her Kindle. Non-smoker. Reason for donating: I experienced by step mom struggle and would love to help heal a heart.
Reproduction history:	No children and proven egg donor

Views on religion and spirituality:

I am a Christian.

Additional Donor Information

Initial Information

In which town and province do you live?	Boksburg, Gauteng
Nationality:	South African
Where were you born?	Boksburg
What language(s) do you speak?	English and Afrikaans
Year of birth:	2001
Age:	20
Star sign:	Aquarius
Blood group (if known):	A+
Why do you want to be an egg donor and if you had a message for your recipient what would it be?	A few years ago, I witnessed my stepmother, whom I love with all my heart, struggle to turn her dream of having her own baby into a reality. It was the happiest and saddest time of her life, and it was then, when I realized how much it truly means to be a daughter to a mother, even if it isn't by blood. Even though having her own baby isn't her reality or her dream anymore, it doesn't take away from the fact that it could be another mother's reality. It would fill me with the utmost amount of contentedness to be able to give somebody, even just the possibility of turning their dream into a reality. I want to give a couple the chance to become a mother and father a chance at being a father.
How do you best describe yourself?	I would say that I am the perfect example of an Ambivert (someone who falls in the middle of the introvert/extrovert continuum). I love going on adventures like hikes, road trips, and going out with my friends, but I would be equally content with being at home in my bed, reading a book or

	<p>five on my Kindle. My friends would describe me as being very outgoing and I am definitely the “funny” one, and my family would describe me as being amiable and selfless. I think I am an extremely positive person, and the glass is definitely half-full. I am very confident, and I am not afraid to speak my mind, when it comes to my beliefs. My biggest pet peeve would be people who are unnecessarily rude or unkind. I am a bit of a neat freak, and I enjoy cleaning and organizing, which I consider to be a positive attribute. Reading is my absolute favourite thing to do, and I would love to have my own in-house library one day. I am a foodie, and my all time favourite food would be sushi. My dogs are my babies, and I have a fierce love for animals. Some of my previous pets include dogs, cats, a bearded dragon, a snake, fish, chickens, and bunnies. Family is everything to me, and I consider myself to be extremely lucky. My mom is my best friend, and I honestly do not know how I would cope without her. My dad is my rock, and he never fails to be the light on my darkest days. My brother is literally the funniest person I know, and his ambition inspires me daily. I also have the world’s sweetest and most caring grandparents, whom I look up to in a thousand ways.</p>
Relationship status:	Serious relationship

Preferred town to donate:	Johannesburg
Towns available in which to donate - travel costs will be covered:	

Confirmation

I have only made myself available as an egg donor with baby2mom:	Yes
Please advise any specific donation criteria other than those mentioned:	No
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor program (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated regarding my availability and regarding egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further	Yes

rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronize my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:
