Other personal information:	South African nationality, Aquarius star sign, Christian. Candidate is an aspiring law student. She is a quirky, fun and loving individual who cares a great deal for the next human-being. She strives to always see the best in people and to advise people based on her own experiences. She firmly believes that one should always keep an open-mind and not expect anything from anyone. Life is about happiness and creating opportunities. Light smoker. Reason for donating: I decided to sign up to donate

	my eggs as there is a family out there who is need of it. Good deeds are blessings.
Reproduction history:	No children and no donations as yet.
Views on religion and spirituality:	Religion is a way of life. To me spirituality comes from within if one is seeking the true feeling of God.

### Additional Donor Information

#### Initial Information

In which town and province do you live?	Cape Town, Western Cape
Nationality:	South African
Where were you born?	Cape Town
What language(s) do you speak?	English and Afrikaans
Year of birth:	1992
Age:	25
Star sign:	Aquarius
Blood group (if known):	Unknown
Why do you want to be an egg donor and if you had a message for your recipient what would it be?	I had an ectopic pregnancy in June 2015 where I lost one of my fallopian tubes. I know first hand how it feels to be told you might not be able to have children one day. If donating my eggs means that someone's life will be changed for the good then I want to be apart of that.
How do you best describe yourself?	I am a vibrant extrovert with, a great sense of humour. I have what they call: "A soft heart" when it comes to helping others and seeing the good in people. I am a firm believer in the phrase: "Where there's a will, there's a way"

Towns available in which to donate - travel costs will be covered:	

**Confirmation**

I have only made myself available as an egg donor with baby2mom:	Yes
Please advise any specific donation criteria other than those mentioned:	I am open to any areas around South Africa
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor programme (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated wrt my availability and wrt egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronise my menstrual cycle with that of the recipients and	Yes

will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:
