Other personal information:	South African and Dutch nationality. Candidate aspires to studying clinical psychology. She is an artist and paints frequently. I tend to be a shy person but outgoing nonetheless, I am openminded, very funny and a very driven person. I love nature and singing. I am very creative (right side of my brain is more dominant). I do have ADHD but that doesn't stop me from living my life, it just pushes me to try harder. Non-smoker. Reason for donating: I realized how many women struggle with having a baby and that made me realize that I'm in a position to

	help. I would love to help someone who is struggling, finally have a baby by even just giving them an egg. I would be honored to be your egg donor and to give you a chance of happiness, but if you decide not to go with my eggs I wish you nothing but luck and success along the way.
Reproduction history:	No children and no donations as yet.
Views on religion and spirituality:	Religion is very important but should never be forced and I myself am a Christian but I also practice in spirituality to maintain a balance in my physical and non-physical life.

Preferred town to donate:	Johannesburg
Towns available in which to donate - travel costs will be covered:	

Confirmation

I have only made myself available as an egg donor with baby2mom:	Yes
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor program (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated regarding my availability and regarding egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronize my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:	Yes
