

## S - BK 2730, Johannesburg

I am a baby2mom egg donor

Availability status:	Available now in Johannesburg and Pretoria
Race:	Black/ African
Age:	28
Hair colour:	Silky curly black hair
Eye colour:	Brown eyes
Has children:	No
Proven donor:	No
Post matric studies:	Yes
Other physical information:	1.6m., 55kg., apple body shape, athletic build, fast metabolism.
Face shape:	Oval
Other personal information:	South African nationality, O+ blood group, Pisces star sign. Candidate holds a Bachelor of Accounting degree. She works for an oil and gas company whilst completing her postgraduate degree parttime. She enjoys being near water and has an adventurous spirit with a reserved nature. She grew up as an only child who mostly spent her time playing sports, reading and volunteering. Throughout her schooling career she was always involved in a club or society of some sort. Non-smoker. Reason for donating: I'm

	healthy and I won't lose anything by donating the eggs. It's ideal that I can make a huge difference in someone's life as well as make some money to make important changes in my life.
Reproduction history:	No children and no donations as yet.
Views on religion and spirituality:	I grew up in an Anglican church. I became an atheist in my teens. I currently believe there is a higher being but I am secular.

### Egg Donation Stipulations

Preferred town to donate:	Johannesburg
Towns available in which to donate - travel costs will be covered:	

### Confirmation

I have only made myself available as an egg donor with baby2mom:	Yes
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor program (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated regarding my availability and regarding egg donation pregnancies achieved. I consent to participate in the	Yes

baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronize my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:
