

## S - BS 6533, Port Elizabeth

Availability status:	Available now in Port Elizabeth
Race:	Black/African
Age:	19
Hair colour:	Brown
Eye colour:	Brown
Has children:	No
Proven donor:	No
Post matric studies:	No
Other physical information:	Height: 1.67 meters Weight: 80 kg. Medium complexion
Face shape:	Diamond
Other personal information:	Christian South African nationality. Sotho ancestry Candidate is a student. She is a bit introverted, but only until she gets used to people. She loves music: is a violinist and violist. She enjoys expressing her feelings. She read a lot of books. She loves good food and baking and cooking (to a certain extent). She believes in living in the moment and making impulsive decisions because they become the best memories down the line. She is an aesthete through and through and enjoys decorating her space to

	<p>match her personality. Non-smoker Reason for Donating: I really believe that everyone who wants a child should have the opportunity to have one because there are kids out there whose parents don't love them all because they didn't want kids. To my recipient, the mere fact that you applied for this program means you are ready for and deserve to have your wish come true. I pray your journey is successful.</p>
Reproduction history:	Has Children: No Number of Children: 0 Have you donated eggs before: No
Views on religion and spirituality:	Christian I believe in God because I believe that there can be no life without a higher power. However the practice of religion is a different topic I do have a church that I attend and love but sometimes it clashes with my views. I don't like how some rules in the Bible are misogynistic and I believe that the Bible was man-written. However there are parts of the Bible which resonate with me.

**Confirmation**

I have only made myself available as an egg donor with baby2mom:	Yes
Please advise any specific donation criteria other than those mentioned:	No
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor program (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated regarding my availability and regarding egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronize my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists	Yes

to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:
