Other personal information:	South African nationality, O-blood group. Her interests include traveling, music, love for her family and friends, graphic design and being creative in whichever way she can. She holds a BA degree in media and communications, and works as a marketing and design assistant in a top real estate agency. She has had a passion for media since high school. She is outgoing and bubbly and gets along easily with people. She really enjoys getting to know new people and finds making friends easy. She has many hobbies, and she always tries to learn

	something new. She values self-love and strives to empower those around her. Non-smoker. Reason for donating: I felt called to be a donor for a while now, and I finally feel ready. I have 2 little brothers who mean the world to me and I would love to give someone the gift and opportunity of having a child.
Reproduction history:	No children and proven donor resulting in a pregnancy.
Views on religion and spirituality:	I was a Catholic growing up but I now believe that there is some unknown high power up there. I believe that the best way to practice 'religion' is to be good to yourself and those around you

Confirmation

I have only made myself available as an egg donor with baby2mom:	Yes
Please advise any specific donation criteria other than those mentioned:	None
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor program (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated regarding my availability and regarding egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronize my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:	Yes
