| | <p>is a diligent worker and also enjoys dancing. Non-smoker. Reason for donating: I have seen how much change it brings to a couple. They suddenly adapt such a different happiness that they never knew existed. I would like to give this experience to someone who is unable to experience such greatness, I have seen so many lives changed and yes I am not ready for that gift myself but some couple is who would appreciate it so much. May this precious gift bring you so much love, joy, and happiness ,that love that you never thought you had and make it in to something beautiful. Always thank God and protect each other.</p> |
| Reproduction history: | No children and no donations as yet. |
| Views on religion and spirituality: | I believe in God with all my heart, I listen carefully to what is said by preachers as long as it follows what God's word says. I believe there are spirits but also believe that no contact must be made with them at all. I am a Christian. |
