| Other physical information: | 1.64m., 70kg., fair skin complexion, good healthy skin, normal hourglass shape, straight teeth (no braces).  |
| Face shape:                 | Oval   |
| Other personal information: | South Africa nationality, of Austrian and British descent, O- blood group. Candidate is pursuing her third honours degree in Publishing. She has an honours in Psychology and in Psychometry. She was a psychometrist for 3 years and after having her daughter, she decided to pursue her passion - books and literature. She has always been academic and enjoys learning, but is also active. She was a top athlete in school and did horse riding and vaulting. Today, she still enjoys running and hiking and |

being in the outdoors. She enjoys all types of music, it depends on the mood, and a lover of movies. She is an avid reader and loves to collect classic novels. She love animals and learning to garden. She is married to a wonderful man and they have a daughter together. She is at home with their daughter since birth and take care of her while studying. She is an open-minded person and enjoys surrounding herself with people of all backgrounds. She likes to think that she is funny (her husband disagrees) and is extremely empathetic. She is assertive but always calm and collected. She is an extrovert who also loves to be home and read and relax. She enjoy travelling and would like to see more of the world and share the experience with her daughter. Non-smoker. Reason for donating: I have thought about donating for many years and after having my daughter and speaking to a friend that has donated several times, I feel it is the right time. My daughter came as a surprise but she is the best thing that has ever happened to me and to be a part of a life that can be amazing is priceless. I want to be able to give someone else that experience. To truly experience a love that is unconditional and pure. I can have a bad day but as soon as I am with my daughter my whole mood can change and everything else is irrelevant. Being able to carry your own
