Why do you want to be an egg donor and if you had a message for your recipient what would it be?	To help those that cannot have children and bring happiness to their lives, a child is a gift from GOD and every family deserves to have one if not more of their own. To give the gift of life is a selfless act and I am doing it for the experience. Knowing that my eggs can help bring joy to another woman will bring happiness to me. Message to recipient: I was raised by my grandparents as my mother had me when she was 19 and had to drop out of school and look for a job, I was raised with two uncles and an aunt. My grandmother raised us Christian and even today I am of the same religion. I am a tourism student and I do love what I am studying for and would also love to have a lot of businesses in the future. I am kind, driven, fun, just an amazing human being, not perfect but real. I wish you luck in your search for a donor and do hope your choice brings you eternal joy and experience. With love.
How do you best describe yourself?	A little witty and shy, but talkative once comfortable. I love staying in as much as I do going out. I enjoy spending time with children and goofing around. Real is how I best describe myself. I don't try to fit in because I was created to stand out. I respect and value others.

Please advise any specific donation criteria other than those mentioned:	None
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor program (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated regarding my availability and regarding egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronize my menstrual cycle with that of the recipients and will be given hormones in a controlled	Yes

environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:
