

S - FD 6088, Johannesburg

| | |
|-----------------------------|---|
| Availability status: | Available now in Pretoria and Johannesburg |
| Race: | Black/African |
| Age: | 19 |
| Hair colour: | Brown |
| Eye colour: | Brown |
| Has children: | No |
| Proven donor: | No |
| Post matric studies: | Yes |
| Other physical information: | 1.64m. 59kg |
| Face shape: | Oval |
| Other personal information: | South African nationality. Candidate aspires to study law. In the interim she is job-shadowing in a properties environment. Non-smoker Reason for donating: I hope to give the gift of life to someone who dreams of becoming a parent. I understand the journey of creating a family can be challenging, and I want to offer my eggs to help make that dream possible. Being able to give hope and the chance for joy to another family is something deeply meaningful to me, and I would be honored to help in |

| | |
|-------------------------------------|---|
| | this way. |
| Reproduction history: | No children and no donations as yet. |
| Views on religion and spirituality: | I think we as humans may have used religion and spirituality as a way to cope with how unpredictable and cruel life can sometimes be, however I also do believe that a lot of religion and spirituality is genuine and exists, although none of us will ever definitely be sure which is right and which is wrong, which is real and which is not, no matter what we choose to believe. |

| | |
|--|-----|
| I have only made myself available as an egg donor with baby2mom: | No |
| Please advise any specific donation criteria other than those mentioned: | No |
| All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor program (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated regarding my availability and regarding egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed | Yes |

medication to potentially synchronize my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:
