	person.
If you had unlimited resources and could save one thing on earth what would it be?	If I had unlimited resources and could save one thing on Earth, it would be the preservation of our environment. The planet's ecosystems are crucial to sustaining life, and protecting nature—from forests to oceans—ensures a healthier world for future generations. With unlimited resources, I would focus on combating climate change, protecting endangered species, and restoring natural habitats to maintain the balance of life on Earth.
What are your views on religion and spirituality, and practiced religion?	<p>My views on religion and spirituality are centered around respect, open-mindedness, and understanding. I believe that religion and spirituality can provide individuals with a sense of purpose, guidance, and connection to something larger than themselves. Each person's beliefs are deeply personal, and I think it's important to honor and learn from the diversity of faiths and spiritual practices that exist around the world.</p> <p>As for practiced religion, I respect all forms of spiritual expression, whether they are rooted in established religious traditions or more personal, individual practices. Everyone's journey in exploring faith or spirituality is unique, and I believe in supporting others in finding what brings them peace, purpose, and a sense of belonging.</p>
Childhood religion:	I didn't have a specific religious upbringing, but I was always encouraged to explore different perspectives and find what resonates with me personally.
Any specific achievements or aspects of recognition in your family:	In my family, I have been recognized for my dedication to education and personal growth. I've always worked hard to set a positive example, whether through academic achievements, taking on leadership roles, or being a supportive family member. My efforts to pursue my goals and help others have earned the respect and pride of my family, and they continue to inspire me to strive for even greater things.
Interests and hobbies:	My interests and hobbies include reading, exploring new ideas, and learning about different cultures. I love spending time outdoors, whether

	<p>it's hiking or simply enjoying nature. I also have a passion for creative activities like writing and painting, which allow me to express myself and unwind. Additionally, I enjoy volunteering and helping others, as it brings me a sense of fulfillment and purpose.</p>
<p>What is your preferred holiday?</p>	<p>City</p>
<p>If you were offered an all-inclusive holiday, what would it be?</p>	<p>If I were offered an all-inclusive holiday, it would definitely be in Cape Town. I'd spend my days exploring the stunning landscapes, from hiking up Table Mountain to enjoying the beautiful beaches like Camps Bay and Clifton. I'd visit the vibrant V&A Waterfront for shopping, dining, and entertainment, and take a scenic drive along Chapman's Peak to admire the coastline. I'd also love to explore the winelands in Stellenbosch, enjoying wine tastings and the peaceful surroundings. Of course, I'd make sure to take time to relax, enjoying delicious food and the incredible views that Cape Town has to offer.</p>
<p>Which interesting places have you visited?</p>	<p>While I haven't had the chance to visit yet, I would love to explore Johannesburg and Pretoria. Johannesburg, with its rich history, vibrant culture, and iconic landmarks like the Apartheid Museum and Constitution Hill, has always fascinated me. I'd also like to explore the Maboneng Precinct for its artsy vibe and local flair. In Pretoria, I'd love to visit the Union Buildings and the beautiful gardens around them, as well as the Voortrekker Monument for a deeper look into South Africa's history. Both cities offer so much to see and experience, and I'm excited about the opportunity to explore them one day.</p>
<p>What are your feelings on animal welfare?</p>	<p>I deeply care about animal welfare and believe that animals deserve to be treated with kindness, respect, and compassion. They are sentient beings that play an essential role in our ecosystems, and we have a responsibility to protect them from cruelty and exploitation. I support efforts to promote better living conditions for animals, whether through protecting endangered species, supporting ethical farming practices, or advocating for stronger laws against animal abuse. Overall, I feel strongly that we should all work toward</p>

	creating a world where animals can live free from harm and enjoy a life of safety and dignity.
Strength and weaknesses:	Strengths - cooking—I have a real passion for cooking and enjoy experimenting with new recipes and creating delicious meals, public speaking—I feel confident when speaking in front of groups and enjoy sharing ideas or engaging in discussions; weaknesses - social anxiety—I tend to feel anxious in social situations, especially when meeting new people or in large gatherings, which can make it challenging to fully engage at times.
What do others generally think of you?	Others generally see me as approachable, thoughtful, and kind. I am someone who listens well and is supportive of those around me. People often appreciate my reliability and the care I take in helping others. While I may be quiet at times due to my social anxiety, those who get to know me see that I'm genuine and always willing to contribute positively to any situation.
