What is the name of any course/degree completed?	BHSc in Medical Laboratory Sciences
Planned studies:	Msc in Biostatistics
In what aspects do you have a keen interest?	I've always been curious about how diseases work and how the body responds to them, but I'm also someone who enjoys working with

	numbers and solving problems. Biostatistics feels like the perfect bridge between healthcare and data. I want to be part of the bigger picture by contributing decisions that can improve public health.
What type of books do you like to read?	non-fiction
Would you prefer to read the book or watch the movie?	Watch the Movie
Do you know if your IQ was ever tested and the score please?	No

Behavioural Traits

What is most important in life to you?	My future is very important to me, and I try to make choices every day that will help me build the life I want. I value learning from people around me, from their experiences, successes, and lessons, and I use those insights to guide my own growth. I have clear goals that I work toward consistently, and I approach each day as an opportunity to gain knowledge, improve myself, and move closer to achieving them. This mindset helps me stay focused, responsible, and committed to my personal journey
If you had unlimited resources and could save one thing on earth what would it be?	If I had unlimited resources, I would travel the world. I'm deeply curious about how people experience life in different places, and I love exploring new cultures, scenery, and ways of living. I'm open-minded and eager to learn from every experience, so traveling would allow me to satisfy my curiosity while discovering the beauty and diversity the world has to offer.
What are your views on religion and spirituality, and practiced religion?	I am a Christian, not big on spirituality. Not much of a church goer I am more focused on my personal relationship with God
Childhood religion:	Christianity
Any specific achievements or aspects of recognition in your family:	None
Interests and hobbies:	I'm a girly girl, love all things self-care and enjoy taking time to look and feel good. I was always taught me to never leave the house looking scruffy, so I've grown up valuing cleanliness, personal grooming, and just being put together. I love doing activities that make me feel happy and refreshed. I also enjoy relaxing with a good

	movie, watching reality shows, youtube, basically anything that lets me unwind and tap into my feminine side. Growing up just 11 months apart from my brother, I was always surrounded by boyish energy but I still am very feminine.
What is your preferred holiday?	Beach
If you were offered an all-inclusive holiday, what would it be?	If I were offered an all-inclusive holiday, I would love to spend it by the Garden Route reconnecting with nature and enjoying calming adventures. I'd go horse riding along the beach, visit an aquarium, go sightseeing, take a boat cruise, and explore a game reserve to see animals up close. Sharing these experiences with my brother would make it even more special, and it would be a chance to slow down, enjoy the world, and make unforgettable memories together. Travel is an interest we share
Which interesting places have you visited?	I grew up in Knysna and visited surrounding areas like Pletternberg bay, Stellenbosch and Tsitsikamma mostly sight seeing and enjoying the scenery beaches. I've visited game reserves around Johannesburg as well.
What are your feelings on animal welfare?	I think it's important to make sure animals are safe and happy in their natural habitats that should be protected
Strength and weaknesses:	My biggest strength is staying calm and composed in intense situations, thinking before I act, and maintaining positive energy. My main weakness is multitasking, I prefer focusing on one thing at a time.
What do others generally think of you?	If a friend were describing me, they would probably say I'm loyal, thoughtful, spontaneous and quietly strong. I stay true to myself, and always keep my eyes on the bigger picture.
Favourite flower:	Tulips
What is your favourite meal?	KFC twister or McDonald's Spicy foldover
What is your favourite movie?	The Equalizer
What is your favourite book?	Atomic habits
Who is your favourite actor?	Damson Idris
Who is your favourite actress?	Taraji P Henson

What is your favourite colour?	Royal blue
What is your favourite colour lipstick?	Red
What is your favourite perfume?	Kayali vailla rock candy sugar
Who is your favourite person?	My brother
Are you more introverted or extroverted?	Extroverted
Would you prefer to go out with friends or stay in with a loved one or book?	Stay in with a loved one or book
Are you more cultural or more adventurous?	Bit of Both - depending on Situation
Do you prefer indoors or outdoors?	Depending on the Situation
Which weather do you prefer?	Array
Are you more creative or analytical?	creative

Preferred town to donate:	Port Elizabeth
Towns available in which to donate - travel costs will be covered:	Johannesburg, Pretoria

Confirmation

I have only made myself available as an egg donor with baby2mom:	No
Please advise any specific donation criteria other than those mentioned:	No
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor program (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated regarding my availability and regarding egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further	Yes

rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronize my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:
