

S - KB 3180, Johannesburg

Availability status:	Available now in Johannesburg and Pretoria
Race:	White
Age:	19
Hair colour:	Thick straight brown hair
Eye colour:	Green
Has children:	No
Proven donor:	No
Post matric studies:	No
Other physical information:	1.67m., 64kg., button nose, long legs
Face shape:	Round
Other personal information:	South African nationality, O-blood group, Christian. Candidate is an animal and plant biologist student. She achieved six distinctions at school. She loves music and playing the ukulele and drums. She is an intellectual and and academic person. Non-smoker. Reason for donating: I have known for a while that having children is not my dream, but I know it is for so many women out there. I knew that I wanted to help women who are dreaming of their own baby but are unable to make it a reality. I may be young but this is a cause in which I wholly believe.

Reproduction history:	No children and no donations as yet.
Views on religion and spirituality:	I do not like religion because I think it is highly constraining but believe in God and practice being spiritual in daily life as a christian.

Egg Donation Stipulations

Please indicate if you have any donation	None
--	------

conditions or criteria such as persons to whom you prefer not to donate:	
Preferred town to donate:	Johannesburg
Towns available in which to donate - travel costs will be covered:	

Confirmation

I have only made myself available as an egg donor with baby2mom:	Yes
Please advise any specific donation criteria other than those mentioned:	N/a
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor program (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated regarding my availability and regarding egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronize my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:	Yes
