In which exercises or sports do you partake now?	Soccer
Have you excelled in any sports?	No
What sports did you play at school?	None

Professional and Academic Information

Occupation:	Student
What is your ideal career/occupation?	Computer Systems Engineering
What are you doing to get to your desired profession in life?	I'm going to university
Do you have a matric and university exemption?	Only Matric
Subjects and grades or marks at school:	Maths 60% English 60% Physical science 50%

What is the name of any course/degree completed?	None
Planned studies:	Computer Systems Engineering
In what aspects do you have a keen interest?	Me
What type of books do you like to read?	fiction
Would you prefer to read the book or watch the movie?	Both
Do you know if your IQ was ever tested and the score please?	No

Behavioural Traits

What is most important in life to you?	getting my life together and being able to pass my degree My family and friends lastly my mental health
If you had unlimited resources and could save one thing on earth what would it be?	My father
What are your views on religion and spirituality, and practiced religion?
Childhood religion:	Christian
Any specific achievements or aspects of recognition in your family:
Interests and hobbies:	I enjoy reading novels because they help me relax and escape into different worlds. I am also interested in learning new things, especially about technology and how systems work. In my free time, I like watching series and movies, spending time on my phone researching opportunities, and improving myself. I am a curious person who enjoys growing mentally and building a better future for myself.
What is your preferred holiday?	International
If you were offered an all-inclusive holiday, what would it be?	I would go to Thailand or Cape Town
Which interesting places have you visited?	Museum, Dikhololo Resort, restaurants
What are your feelings on animal welfare?	Animal welfare is very important to me because I love animals, especially dogs. I believe animals deserve to be treated with kindness, care, and

	respect. Growing up, I wanted to become a veterinarian because I wanted to help sick and injured animals. Even though I later discovered my interest in Computer Systems Engineering, my passion for protecting animals has never changed. I still feel responsible for speaking up for animals and supporting their wellbeing in any way I can.
Strength and weaknesses:	Strengths - cooking, baking, I love to help people deal with their emotional issues and physical problems, I love solving equations
What do others generally think of you?	Kind and fearless

Preferred town to donate:	Pretoria

Towns available in which to donate - travel costs will be covered:	Johannesburg
--	--------------

Confirmation

I have only made myself available as an egg donor with baby2mom:	Yes
Please advise any specific donation criteria other than those mentioned:	No
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor program (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated regarding my availability and regarding egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronize my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:	Yes
