Other personal information:	<p>Christian  South African nationality  Tsonga ancestry  Candidate works as a call centre agent,  She studied public relations student.  She loves working with people, especially children.  She is passionate about modeling and is currently working towards joining the modeling industry. She is hardworking, disciplined and a consistent individual. She loves helping people.  Non-smoker.  Reason for donating: I recently joined a group that is</p>

	for women. A few weeks back, one of them posted that she is in need of a surrogate because she is unable to carry a child. I went through the comments and realised that there are a lot of women who are going through the same experience. Others were inquiring about egg donors. I decided to do research and I found out that I can donate an egg to help someone who has been struggling for years. I want to help make dreams of other women happen.
Reproduction history:	No children and no donations as yet.
Views on religion and spirituality:	I am a Christian

Please indicate if you have any donation conditions or criteria such as persons to whom you prefer not to donate:	None
Preferred town to donate:	Pretoria
Towns available in which to donate - travel costs will be covered:	Johannesburg, Pretoria

### Confirmation

I have only made myself available as an egg donor with baby2mom:	Yes

Please advise any specific donation criteria other than those mentioned:	No
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor program (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated regarding my availability and regarding egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronize my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:	Yes
