Other personal information:	Christian, South African nationality, Tsonga ancestry. Candidate is a public relations student. After her diploma, she anticipates applying for PGCE to be an educator. She loves working with people, especially children. She is passionate about modeling and is currently working towards joining the modeling industry. She is hardworking, disciplined and a consistent individual. She loves helping people. Non-smoker. Reason for donating: I recently joined a group that is for women. A few weeks back, one of them posted that she is in need of

	a surrogate because she is unable to carry a child. I went through the comments and realised that there are a lot of women who are going through the same experience. Others were inquiring about egg donors. I decided to do research and I found out that I can donate an egg to help someone who has been struggling for years. I want to help make dreams of other women happen.
Reproduction history:	No children and no donations as yet.
Views on religion and spirituality:	I am a Christian
