Additional Donor Information

Initial Information

In which town and province do you live?	Johannesburg
Nationality:	South African
Where were you born?	Johannesburg
What language(s) do you speak?	English, Sesotho, Aulu and a bit of Afrikaans
Year of birth:	2003
Age:	21
Star sign:	Cancer
Blood group (if known):	Unknown
Why do you want to be an egg donor and if you had a message for your recipient what would it be?	To help others build their families, often due to infertility issues or medical conditions.
How do you best describe yourself?	I'm an ultimate fun-loving person who lights up the room with their infectious energy. Im always up for an adventure, whether it's trying new foods, exploring new places, or attempting crazy stunts. With a spontaneous and playful personality, I love to joke around, my friends would describe me as the comedian of the group. I love to dance even though im bad at it, I love to sing even though I don't have the voice for singing. I play pranks, and have fun at others' expense. Im a social butterfly, effortlessly making friends and connections wherever I go, and radiate good energy, always looking on the bright side and spreading joy to those around me. With quirks like an impressive collection of silly hats, a knack for dad jokes, and a secret passion for competitive board games,I hate loosing, I'm the perfect companion for anyone looking to add some excitement and laughter to their life. And I love making new connections.
Relationship status:	New relationship

Preferred town to donate:	Johannesburg
Towns available in which to donate - travel costs will be covered:	Johannesburg, Pretoria

Confirmation

I have only made myself available as an egg donor with baby2mom:	Yes
Please advise any specific donation criteria other than those mentioned:	No
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor program (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated regarding my availability and regarding egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronize my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:	Yes
