Why do you want to be an egg donor and if you had a message for your recipient what would it be?	I want to be an egg donor because I understand how difficult infertility can be, and I would like to help someone have the chance to start a family. I've taken time to learn about the egg donation process and I feel comfortable with the medical requirements involved. The compensation is also helpful for me as a student/young adult, but my decision is mainly based on wanting to help others in a meaningful way.
How do you best describe yourself?	I would describe myself as a responsible and caring person with a warm, positive personality. I'm compassionate, considerate of others, and I enjoy bringing a sense of calm and friendliness into situations. While I'm organised and take commitments seriously, I'm also a fun and approachable person who values kindness and connection.
Relationship status:	Single

Confirmation

I have only made myself available as an egg donor with baby2mom:	Yes
--	-----

Please advise any specific donation criteria other than those mentioned:	No
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor program (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated regarding my availability and regarding egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronize my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:	Yes
