

S - KM 6377, Johannesburg

| | |
|-----------------------------|--|
| Availability status: | Available now in Johannesburg and Pretoria |
| Race: | Black/African |
| Age: | 18 |
| Hair colour: | Black |
| Eye colour: | Brown |
| Has children: | No |
| Proven donor: | No |
| Post matric studies: | No |
| Other physical information: | 1.53m. 60kg |
| Face shape: | Round |
| Other personal information: | <p>South African nationality Candidate is a first year student studying a bachelor in public health. She enjoys reading and hiking as she is introverted. She absolutely loves baking and would love to be a baker. Non-smoker. Reason for Donating: I would do it because I have seen those close to me struggle with infertility, and helping someone create a family feels like such a beautiful way to make a difference. If I could speak to the recipient, I would let them know that i willingly made the decision to donate my eggs and that the process</p> |

| | |
|-------------------------------------|--|
| | is ethical. I would let them know that I am rooting for the couple and they're family and lastly that I am incredibly proud of them for what they may have endured as well as the journey they are in. |
| Reproduction history: | No children and no donations as yet. |
| Views on religion and spirituality: | I am Christian - methodist. I feel that religion is the individual's relationship with the creator and no one else. It is a personal journey that one can choose to embark on. I also believe that most religious beliefs are one in the "same" thing but different terms for things like ie. God= Yeshua, Qamata, Allah |

Confirmation

| | |
|---|-----|
| I have only made myself available as an egg donor with baby2mom: | Yes |
| Please advise any specific donation criteria other than those mentioned: | No |
| All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor program (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated regarding my availability and regarding egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronize my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs: | Yes |
