Blood group (if known):	O+
Why do you want to be an egg donor and if you had a message for your recipient what would it be?	I'll just keep it short and simple, I'd like to be part to be one of the many people helping other women experience pregnancy and motherhood for themselves ... someone very close to me was barren and never had the opportunity to have children. It was sad to watch her feel so empty or less of a women because of her inability to conceive... so if theres anything I can do to help any women experience that, I am more than happy to take all necessary steps... may I add, I'm also a twin.
How do you best describe yourself?	I am a cool, down to earth person, I'm very smart and resilient, I value loyalty, trust, respect and integrity, I'm introverted but can prove to be an extrovert when around familiar people.

Towns available in which to donate - travel costs will be covered:	Array
--	-------

Confirmation

I have only made myself available as an egg donor with baby2mom:	Yes
Please advise any specific donation criteria other than those mentioned:	I just want it pain free
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor programme (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated wrt my availability and wrt egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronise my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:	Yes
