

S - KN 5898, Johannesburg

Availability status:	Candidate is now available in Johannesburg and Pretoria
Race:	Black/African
Age:	18
Hair colour:	Brown
Eye colour:	Brown
Has children:	No
Proven donor:	No
Post matric studies:	No
Other physical information:	1.59m., 60kg
Face shape:	Round
Other personal information:	<p>South African nationality. Candidate is a student who is fun and respectful. Non-smoker. Message to recipient: I want to become an egg donor so that I can be of assistance to individuals who wish to be parents someday but have faced some difficulty in doing so the 'conventional' manner. I've witnessed how the process of IVF has helped a relative of mine. A message I'd relay to my recipient is that it's an honor being a part of their journey towards parenthood, despite my miniscule contribution, and that may this journey be fulfilling on their end as it in mine.</p>

Reproduction history:	No children and no donations yet.
Views on religion and spirituality:	I believe that everyone has the right to practice any religion of their choosing and not impose their belief systems onto other people but rather educate on their religion or spiritual beliefs. Religion and spirituality often give people a moral guideline and that can be beneficial to individuals practicing them.

Additional Donor Information

Towns available in which to donate - travel costs will be covered:	Johannesburg, Pretoria

Confirmation

I have only made myself available as an egg donor with baby2mom:	Yes
Please advise any specific donation criteria other than those mentioned:	No

<p>All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor program (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated regarding my availability and regarding egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronize my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:</p>	<p>Yes</p>
