She enjoys reading (fictional novels), baking and hiking. She is shy, friendly, sensitive and very secretive. Non-smoker. Message to recipient: I am so excited to go on this journey to help thousands of women who dream of having their own families. I am doing this with a pure heart and I pray it brings you joy, love and comfort.

Reproduction history:	No children and no donations as yet.
Views on religion and spirituality:	These are considered holy and they shape individuals to becoming who they are and what they want to be. It also shapes our societies in distinguishing the right from wrong and to act virtuous

## Additional Donor Information

### Initial Information

In which town and province do you live?	Rhodes, Eastern Cape
Nationality:	South African
Where were you born?	South Africa, KwaZulu-Natal
What language(s) do you speak?	IsiZulu and English
Year of birth:	1996
Age:	26
Star sign:	Aries
Blood group (if known):	Unknown
Why do you want to be an egg donor and if you had a message for your recipient what would it be?	I had a family member who could not have children and unfortunately she passed away without having children. I want every woman to have the chance to become a mother and enjoy motherhood. To my recipient, I have no doubt that you will make a great mother and your child will be the most loved human being.
How do you best describe yourself?	I am shy, I get comfortable once I know people. I am sensitive, I cry when I'm happy and when I'm sad. I prefer and enjoy my own space and company. If I'm not studying, reading or baking I sleep. I prefer being indoors because sometimes it's hard for me to make conversations.

Relationship status:	Single
Are there any medical or psychological concern areas we should know about?	No
