

S - LM 3162, Pretoria

Availability status:	Available now in Pretoria and Johannesburg
Race:	Black
Age:	19
Hair colour:	Dark brown
Eye colour:	Brown
Has children:	No
Proven donor:	No
Post matric studies:	No
Other physical information:	1.7m., between 70kg and 80kg., light skinned, thick eyebrows, small lips and nose.
Face shape:	Round
Other personal information:	South African nationality, O+ blood group. Candidate completed matric in 2018 and worked during 2019. She aspires to study at hotel school. She is a straight forward open book for most people who know her as a sharp shooter. She has participated in Latin dancing. Non-smoker. Reason for donating: I have seen women struggle to fall pregnant because of lack of eggs or unhealthy ones and it pains me, these days women step on each other's toes instead of helping one another so

	instead of trying to change the whole world I'll go one person at a time, I guess I just love it when hands wash one another.
Reproduction history:	No children and no donations as yet.
Views on religion and spirituality:	I believe in God that he is there and without him I wouldn't be ,I can't say im Muslim or Hindu or Christian I just feel that we all follow one big strength that leads us we just have to different ways that govern how we live and what we believe.

Additional Donor Information

Towns available in which to donate - travel costs will be covered:	

Confirmation

I have only made myself available as an egg donor with baby2mom:	Yes
Please advise any specific donation criteria other than those mentioned:	None
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor program (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated regarding my availability and regarding egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronize my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often	Yes

travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:
