Additional Donor Information

Initial Information

In which town and province do you live?	Johannesburg East
In which province do you live?	Gauteng
Nationality:	South African
Where were you born?	Johannesburg East, Jabulani Women's clinic
What language(s) do you speak?	English, Sesotho, IsiZulu
Year of birth:	2002
Age:	22
Star sign:	Gemini
Blood group (if known):	O-
Why do you want to be an egg donor and if you had a message for your recipient what would it be?	I love children and I would love to have my own someday. Knowing that I would have helped a woman who loves children like me have their own brings joy to my heart.
How do you best describe yourself?	I consider myself an ambivert, enjoying a balance between solitude and socializing. While I spend much of my time alone, I relish opportunities to engage with others. As an intellectual, I dedicate a significant portion of my day to reading and writing, particularly on topics like politics, finance, business, and stock markets. My ambition drives me to seek out challenges, yet I also embrace my creative side. Weekends are often spent sketching clothing designs or enjoying the company of friends. My afternoons during the week are filled with hockey and swimming. Above all, I pride myself on being a kind and gentle soul, always eager to help when I can. I have a deep appreciation for good food and music, which add joy to my life. This blend of interests and qualities shapes who I am, making me a well-rounded and dynamic individual.
Relationship status:	Serious relationship

Confirmation

I have only made myself available as an egg donor with baby2mom:	Yes
Please advise any specific donation criteria other than those mentioned:	No
All information provided is correct and pictures are all of me. I agree to keep baby2mom	Yes

updated with the donor program (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated regarding my availability and regarding egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronize my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:
