	<p>Overall, I strive to be someone who brings warmth, stability, and a positive attitude to any environment I'm part of. Non-smoker. Reason for Donating: I want to be an egg donor because I understand that starting a family isn't always easy for everyone. The idea that I could help someone experience the joy of having a child is something that truly means a lot to me. I feel grateful for my health and the opportunity to make a positive difference in someone's life in such a meaningful and life-changing way. For me, it's about giving hope and being part of something bigger than myself. Message to recipient: I will never meet you, but I want you to know that this comes from a place of genuine care and kindness. I hope this small part of me helps you create something beautiful and brings you the happiness you've been wishing for. You are strong for taking this journey, and I truly hope it leads you to the family you dream of. Wishing you love, strength, and a future filled with joy.</p>
Reproduction history:	No children and no donations as yet.
Views on religion and spirituality:	Religion and spirituality are both ways people find meaning, purpose, and connection in life. Religion is usually structured, with shared beliefs, traditions, and practices within a community, while spirituality is more personal and focused on

	inner peace and individual growth. Practiced religion combines belief with rituals and daily living, and people may choose to follow religion, spirituality, or both depending on their personal values and experiences.

**Behavioural Traits**

<p>What is most important in life to you?</p>	<p>What is most important in life to me is maintaining meaningful relationships, personal growth, and a sense of purpose. Building genuine connections with others, acting with integrity, and continuously learning and improving are key values. I also believe in finding balance—taking care of mental and emotional well-being while working toward goals that create a positive impact in both personal life and the wider community.</p>
<p>If you had unlimited resources and could save one thing on earth what would it be?</p>	<p>If I had unlimited resources and could save one thing on Earth, I would choose to protect and restore the natural environment—especially ecosystems like forests, oceans, and biodiversity. These systems support all life on the planet, including humans, by providing clean air, water, food, and climate balance. Preserving nature would have the widest and most lasting impact, helping to sustain both current and future generations.</p>
<p>What are your views on religion and spirituality, and practiced religion?</p>	<p>Religion and spirituality are both ways people find meaning, purpose, and connection in life. Religion is usually structured, with shared beliefs, traditions, and practices within a community, while spirituality is more personal and focused on inner peace and individual growth. Practiced religion combines belief with rituals and daily living, and people may choose to follow religion, spirituality, or both depending on their personal values and experiences.</p>
<p>Childhood religion:</p>	<p>Christian</p>
<p>Any specific achievements or aspects of recognition in your family:</p>	<p>none</p>
<p>Interests and hobbies:</p>	<p>My interests and hobbies include activities that help me learn, stay organized, and connect with others. I enjoy reading and learning new things, as well as engaging in conversations that broaden my perspective. I also appreciate spending time on self-development, improving communication skills, and staying productive. In my free time, I like relaxing, reflecting, and participating in activities that help maintain a healthy balance between personal growth and</p>

	well-being.
What is your preferred holiday?	Beach
If you were offered an all-inclusive holiday, what would it be?	If I were offered an all-inclusive holiday, I would choose a peaceful destination by the beach where I can relax, enjoy beautiful scenery, and disconnect from daily stress. I would prefer a place that offers a balance of comfort, good food, cultural experiences, and quiet time for rest and reflection.
Which interesting places have you visited?	none
What are your feelings on animal welfare?	I believe animal welfare is very important. Animals deserve to be treated with care, respect, and compassion, ensuring they have proper food, shelter, and medical care. Protecting animals from cruelty and supporting their well-being reflects kindness and responsibility, and it also helps maintain a healthy balance in our ecosystems.
Strength and weaknesses:	Strengths – strong communication skills, attention to detail, ability to work well with others, adaptability, and a willingness to learn quickly; Weaknesses – can be overly self-critical at times, may take on too many responsibilities at once, and sometimes spend extra time ensuring tasks are perfect rather than completed quickly.
What do others generally think of you?	Others generally see me as approachable, reliable, and easy to communicate with. I'm often described as someone who listens well, is respectful, and works cooperatively with others. People also tend to view me as dependable and willing to help where needed, with a positive and professional attitude.

### Confirmation

I have only made myself available as an egg donor with baby2mom:	Yes
Please advise any specific donation criteria other than those mentioned:	No
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor program (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated regarding my availability and regarding egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronize my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor.	Yes

I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:
