Other personal information:	Christian, South African nationality, Xhosa ancestry, AB+ blood group. Candidate describes herself as a big dreamer with a mind that's always buzzing with ideas. She sees the world as a blank canvas, just waiting for her to add her own splash of colour and creativity. She loves solving puzzles and connecting the dots between things that might seem unrelated at first glance. It's like a game to her, and she is always up for the challenge. She is curious about everything and loves learning new things. It's like fuel for her imagination, and it helps

	<p>her come up with innovative solutions to problems. She is a chatty person, and I love making people laugh with her quick wit and clever observations. She is a good listener and always eager to hear others' perspectives and learn from their experiences. She is creative and analytical. Non-smoker. Message to recipient: As I sit down to write this, I'm filled with so much love and excitement for the journey on which you are about to embark. Becoming parents is a dream come true, and I feel honored to be a small part of it. I hope that the little one who grows from my egg will bring you all the joy, laughter, and adventure your hearts desire. May they inherit my love for life, my curiosity, and my resilience. And may you, as their parents, guide them with wisdom, patience, and unconditional love. I can only imagine the countless memories you'll create together the first smiles, the first steps, the first words. And I hope that you'll feel my love and support every step of the way. Thank you for choosing me as your egg donor. It's a privilege to be a part of your story. With all my heart, love, and best wishes.</p>

Childhood religion:	Christian
Any specific achievements or aspects of recognition in your family:	I come from a family that values hard work, kindness, and resilience. We've had our share of triumphs and setbacks, but through it all, we've stuck together. My grandma, a fierce entrepreneur, built a successful business from scratch. Her determination inspires me every day. My cousin, a talented artist, uses their creativity to uplift marginalized communities.

	<p>Their compassion and empathy motivate me to make a difference. Growing up, my parents emphasized education and self-improvement. Their guidance has helped me pursue my dreams. I'm proud of my family's quirks and flaws they make us who we are. We've learned to support each other, laugh together, and navigate life's ups and downs. These experiences have shaped me into the person I am today: resilient, empathetic, and driven.</p>
Interests and hobbies:	<p>Exploring new hiking trails and capturing breathtaking views Cooking up a storm in the kitchen, trying out fresh recipes Getting lost in a good book or podcast Practicing yoga or meditation to unwind Learning new languages and cultures I love expressing myself creatively through writing, painting, or photography. Traveling and immersing myself in diverse communities is a huge passion of mine. Sports-wise, I'm all about team sports like soccer, tennis, and volleyball. At the end of the day, I'm all about, Self-care and mindfulness Personal growth and learning Community building and social impact Creative expression and storytelling These interests and hobbies help me stay balanced, inspired, and connected to the world around me.</p>
What is your preferred holiday?	Beach
If you were offered an all-inclusive holiday, what would it be?	Paris and Dubai
Which interesting places have you visited?	Every province in my beautiful country. Travelled to Mozambique
What are your feelings on animal welfare?	As a compassionate and empathetic individual, I strongly believe in treating animals with respect, kindness, and care.
Strength and weaknesses:	<p>Strengths - empathetic listener, always seeking to understand others, creativity fuels me - I love finding innovative solutions, resilience is my superpower, learned to adapt and bounce back, collaboration is key - I thrive in teams, sharing ideas and expertise, curiosity drives me; I'm always seeking knowledge and growth; weakness - perfectionism can be my nemesis, working on self-compassion, overthinking sometimes holds me back; practicing mindfulness, time management is a constant</p>

	challenge; I'm getting better, public speaking still makes me nervous, but I'm pushing past fear, delegation is hard, but I'm learning to trust others.
What do others generally think of you?	Others see me as a breath of fresh air someone who brings creativity, enthusiasm, and a dash of quirky humor to the table. They appreciate my genuine passion for learning and growth, and how I'm always eager to share my discoveries with others. Some might think I'm a bit of a "idea machine" always spinning new concepts and connections. But they also see that I'm not afraid to listen, to ask questions, and to learn from others. Friends and colleagues likely view me as a trusted collaborator, someone who can help them see things from new angles and find innovative solutions. They might also see me as a bit of a "sparkplug" someone who can ignite a room with my energy and enthusiasm. Of course, not everyone might see me in the same light. Some might find my constant questioning and probing a bit exhausting. But overall, I hope others see me as a kind, curious, and creative force someone who inspires and motivates them to be their best selves.
