Availability status:	Available from September 2026 in Pretoria only
Race:	White
Age:	23
Hair colour:	Brown
Eye colour:	Brown
Has children:	No
Proven donor:	Yes
Post matric studies:	Yes
Other physical information:	1.65m., 56 kg.
Face shape:	Oval
Other personal information:	Religion: Religion is a set of beliefs concerning the cause, nature, and purpose of the universe, religion is about how we conduct ourselves with each other. Spirituality is a broad concept with room for many perspectives. In general, it includes a sense of connection to something bigger than ourselves, and it typically involves a search for meaning in life. Nationality: South African Blood Group: A+ I'm a very loving and caring person. I'm a driven individual who faces challenges head on. Im positive and friendly and a team player. I also have a good sense of humor.

	I can be over dramatic, but I am working on it. And when meeting new people I am very shy and introverted, but once I get to know them I will get comfortable and talkative. When I get excited I tend to be very loud (I am also working on this?) Smoker: never smoked Reason for Donating: I can't imagine how it would feel to not be able to have children. So helping someone achieve their dreams of building a family would be my greatest pleasure.
Reproduction history:	No children and proven donor resulting in a twin pregnancy.

Confirmation

I have only made myself available as an egg donor with baby2mom:	Yes
Please advise any specific donation criteria other than those mentioned:	No
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor program (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated regarding my availability	Yes

and regarding egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronize my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:
