

A - MA 3468, Johannesburg

Availability status:	Available now in Johannesburg and Pretoria
Race:	Coloured
Age:	23
Hair colour:	Ash brown
Eye colour:	Dark brown
Has children:	No
Proven donor:	Yes
Post matric studies:	Yes
Other physical information:	1.65m. 71kg., big brown eyes with long eyelashes, my nose is sharp and I have plump lips with a slight beauty spot above the right side of my lips. I have a scar on my forehead.
Face shape:	Round
Other personal information:	South African nationality, Christian, O+ blood group. Candidate is a ballet dancer and teacher by profession (studied in London for three years), so enjoys working with children. She is well disciplined, was raised in a loving home and taught to be independent. Non-smoker. Reason for donating: I have seen the amount of pain that many women go through with fertility complications. I feel that this is something great to

	be part of and feel that I have a clean lifestyle to be part of it. I trust that I can bring happiness to another family and be very committed to this procedure.
Reproduction history:	Proven egg donor resulting in a pregnancy
Views on religion and spirituality:	I am Christian, I was raised this way. I dont believe in religion. I belive in being a Christian and putting God above everything I do. He is the key to all my achievements.

Confirmation

I have only made myself available as an egg donor with baby2mom:	Yes
Please advise any specific donation criteria other than those mentioned:	None
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor program (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated regarding my availability and regarding egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronize my menstrual cycle with that of the recipients and	Yes

will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:
