

S - MH 4007, Mtunzini

Availability status:	Available now in Durban
Race:	White
Age:	33
Hair colour:	Blonde, fine and very straight
Eye colour:	Green
Has children:	Yes
Proven donor:	No
Post matric studies:	Yes
Other physical information:	1.56m., 63kg., petite build, olive skin, full mouth, cheek dimples, pointed nose, strong jawline.
Face shape:	Oval
Other personal information:	South African nationality, O-blood group. Candidate works in the insurance industry, but would like to be a stay-at-home mom if finances permit. Her interests include the outdoors (hiking, swimming and taking holidays to the bush) as well as anything creative (painting, photography, graphic design and interior design). She has a perfectionist-type personality. She loves neatness and order. She has a very broad sense of humour and enjoys nothing more than having a good laugh. She is very nurturing and patient. At

	<p>school, she excelled academically however maths was not a strength. In terms of sport, she enjoyed all water sports and long distance running. Non-smoker.</p> <p>Message to recipient: Dearest mom and dad to be: I am so blessed to be able to give you the gift of becoming a parents. I have two little girls of my own and I cannot think of anything better than being a mom.</p>
Reproduction history:	Two daughters conceived easily and carried to term.
Views on religion and spirituality:	I am neutral when it comes to religion and prefer to think of myself as spiritual. I have more of a belief in mother nature.

Egg Donation Stipulations

Preferred town to donate:	Durban
Towns available in which to donate - travel costs will be covered:	

Confirmation

I have only made myself available as an egg donor with baby2mom:	Yes
Please advise any specific donation criteria other than those mentioned:	Available immediately
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor program (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated regarding my availability and regarding egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed	Yes

medication to potentially synchronize my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:
