

S - ML 5527, Cape Town

Availability status:	Available now until 17/09/25 in South Africa
Race:	White/ Caucasian
Age:	23
Hair colour:	Blonde
Eye colour:	Blue
Has children:	No
Proven donor:	No
Post matric studies:	Yes
Other physical information:	1.67m., 81kg.
Face shape:	Oval
Other personal information:	<p>South African nationality, B+ blood group. Candidate achieved 9 distinctions in matric. She holds a BSc Human Life Sciences (cum laude) and BScHons Physiological Sciences (cum laude). She has also excelled in sports. Non-smoker.</p> <p>Reason for donating: I want to give the gift of family to those who are passionate about undertaking the world's most important job - raising children. My message would be: Thank you for being so brave. Your investment in the future of our planet is courageous and I hope to be able to help you kickstart this incredible journey.</p>

Reproduction history:	No children and no donations as yet.
Views on religion and spirituality:	I am not a religious person and I am wholly against all forms of fundamentalist religion. I am for religious practises that make the lives of others better and easier and those individual relationships with deities which give people comfort and purpose, however I am staunchly against those practises which ostracise and force people to conform to an ideal which goes against ancient and outdated ideals.

Behavioural Traits

What is most important in life to you?	To make the lives of those around me more fulfilling, whether that be in small ways by making them feel safe and heard, or bigger ways such as through my career or becoming an egg donor.
If you had unlimited resources and could save one thing on earth what would it be?	I would put an end to poverty and all that comes with it, such as food insecurity, lack of educational opportunities and lack of access to healthcare.

What are your views on religion and spirituality, and practiced religion?	I am not a religious person and I am wholly against all forms of fundamentalist religion. I am for religious practises that make the lives of others better and easier and those individual relationships with deities which give people comfort and purpose, however I am staunchly against those practises which ostracise and force people to conform to an ideal which goes against ancient and outdated ideals.
Childhood religion:	I was christened in and raised loosely associated with the German Lutheran Church.
Any specific achievements or aspects of recognition in your family:	Both my parents are medical doctors, my mother being a general practitioner and my father being a cardiothoracic surgeon. My father also founded and runs a charity foundation, Young Hearts Africa, which provides heart surgeries to children from families who are not able to afford such care. My maternal grandmother studied medicine in the 1950s and specialised and worked as an anesthetist, raising 4 children at the same time as a single mother.
Interests and hobbies:	Reading historical fiction novels, watching foreign language series on Netflix, playing tennis, running, weight-lifting, exploring nature
What is your preferred holiday?	Bush
If you were offered an all-inclusive holiday, what would it be?	It would be a horse-back safari holiday
Which interesting places have you visited?	I have been to Nepal, I have travelled around central and Eastern Europe and I spent my childhood travelling around South Africa by car, and have visited each province multiple times.
What are your feelings on animal welfare?	I consider myself an animal-lover and value those who treat animals with respect, compassion and kindness. I stand by the notion that the way in which a society treats its animals is a reflection of its humanity.
Strength and weaknesses:	Strengths - reading emotions of others, listening, public speaking, science and maths, problem solving, work ethic Weaknesses - saying no, perfectionism
What do others generally think of you?	I have been told I exhibit a calming, optimistic and quietly confident disposition which makes others feel safe. I am considered trustworthy, and others often seek me out for advice and

	sensitive problems.

Confirmation

I have only made myself available as an egg donor with baby2mom:	Yes
Please advise any specific donation criteria other than those mentioned:	No

<p>All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor program (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated regarding my availability and regarding egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronize my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:</p>	<p>Yes</p>
