Additional Donor Information

Initial Information

In which town and province do you live?	North West
Nationality:	South african
Where were you born?	Baragwanath Hospital
What language(s) do you speak?	English, Sesotho, isiXhosa, isiZulu and Tswana
Age:	21
Star sign:	Aquarius
Blood group (if known):	Unknown
Why do you want to be an egg donor and if you had a message for your recipient what would it be?	I want to be an egg donor because I have an aunt who couldn't have babies of her own no matter how much she tried. Because she didn't have funds to even be a recipient, I saw sadness in her eyes at every family gathering when everyone who had their children sitting up on their laps or doing family activities. She's has so many miscarriages and she still has clothes of babies she bought and stil isn't willing to let go. I also understand that it is people who really are desperate for children that have the most love and time. And to my recipient, i want to say... You'll be great parent(s).
How do you best describe yourself?	I love art and music, I love travelling and food. I am a hard worker and I put 100% effort in everything I do. I love spending time with people. I am very confident and my love language is acts of service and words of affirmation.

Confirmation

I have only made myself available as an egg donor with baby2mom:	Yes
Please advise any specific donation criteria other than those mentioned:	N/A
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor program (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated regarding my availability and regarding egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronize my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation	Yes

on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:
