Reason for donating:

Choosing to be an egg donor is a deeply personal and meaningful decision for me. I believe that helping others create the family they've always dreamed of is one of the most generous gifts I can offer. It's a way for me to contribute to something beautiful and life-changing.

Message to recipient: I hope my little contribution brings you joy and love beyond measure. Every child is a miracle, and I am honored to play a small role in your journey. Know that this choice comes from a place of compassion and a sincere wish for your happiness.

Wishing you all the warmth and success as you embark on this wonderful adventure.

Reproduction history:	No children and proven donor.
Views on religion and spirituality:	I believe it is needed but religious practices are over ruled and fit to please people and man made .. I am more spiritual
