Other personal information:	Christian South African nationality. Candidate holds an LLB. She is a compassionate and purpose-driven woman with a strong sense of faith and vision. She is not just a dreamer, but a builder. When she sets her mind on something, she moves with intention and quiet confidence. She has a nurturing heart, but I'm also strong and resilient. She cares deeply, prays deeply, and does not give up easily. She carries herself with grace — soft, and is fully aware of her worth. She describes

	herself as kind, ambitious, faith-led, and determined to build a beautiful life for myself and for others. Non-smoker Reason for Donating: I want to be an egg donor because I understand that the ability to create life is a gift — and not everyone is able to experience that journey on their own. If I have the opportunity to help someone become a parent, to experience the joy of holding their child, hearing their first cry, and watching them grow, that would be something incredibly meaningful to me.
Reproduction history:	Has Children: No Number of Children: 0 Have you donated eggs before: Yes
Views on religion and spirituality:	I believe that religion and spirituality are important guides for living a meaningful and ethical life. I value faith, prayer, and personal reflection as ways to stay connected to God and grow spiritually. I actively practice my faith through worship, and applying spiritual principles in my life.
