Other personal information:	Christian South African nationality. Zulu ancestry Candidate is interested in volunteering and nursing. She describes herself as an energetic, friendly, and outgoing person who enjoys making people laugh and feel comfortable around her. She has a positive personality and love bringing good energy wherever she goes. She is passionate about media, communication, and activities that involve young people, as I enjoy being creative, engaging with others and learning new things. She is approachable, caring, and

	<p>always try to make those around her feel welcomed and valued. She believes in living life with enthusiasm, building meaningful connections, and making the most of every opportunity that comes my way.</p> <p>Non-smoker.</p> <p>Reason for Donating: I want to be an egg donor because I know that many people dream of becoming parents but are unable to do so naturally. Although I am not ready to become a mother at this stage of my life, I would love to help give someone else the opportunity to experience the joy of having a child and building a family. I believe that being able to help in such a meaningful way is a privilege, and it makes me happy to know that I could make a positive difference in someone's life.</p> <p>To my recipient, I would like to say that this donation comes from a place of kindness and hope. I admire your courage and determination on your journey to parenthood, and I truly wish you all the love, happiness, and beautiful memories that come with growing your family.</p>
Reproduction history:	No children and no donations as yet.
Views on religion and spirituality:	I am a Christian, and my faith is an important part of who I am, but I approach the world with a completely open mind and a heart free of judgment. To me, the core of my beliefs is rooted in love, compassion, and kindness toward everyone, regardless of their

	background, choices, or beliefs.

Confirmation

I have only made myself available as an egg donor with baby2mom:	Yes
Please advise any specific donation criteria other than those mentioned:	No

All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor program (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated regarding my availability and regarding egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronize my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:

Yes
