

S - MN 4590, Soweto

Availability status:	Available now in Johannesburg and Pretoria
Race:	Black
Age:	27
Hair colour:	Black
Eye colour:	Hazel brown
Has children:	No
Proven donor:	No
Post matric studies:	Yes
Other physical information:	1.6m., 60kg.
Face shape:	Oval
Other personal information:	South African nationality. Candidate is working on opening her my own skin care brand. She enjoys researching and creating skin products. She loves reading books as well. She is naturally an inquisitive person, loves solving problems or coming up with solutions. She describes herself as an empath, is drawn to helping others in need. She enjoys singing and cooking (like experimenting to her). Non-smoker. Reason for donating: To me, this is an opportunity to help someone that is trying to have a child and they naturally can't. Having children is not really

	something I have in mind for now and I'm not sure when I'll be ready. That's why I want to help someone else that is ready to raise a child with love. I just really find happiness in making others happy where I can possibly help.
Reproduction history:	No children and no donations as yet.
Views on religion and spirituality:	Personally I think religion and spirituality is the foundation for your core values in life.

Additional Donor Information

Preferred town to donate:	Johannesburg
Towns available in which to donate - travel costs will be covered:	Johannesburg

Confirmation

I have only made myself available as an egg donor with baby2mom:	Yes
Please advise any specific donation criteria other than those mentioned:	None
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor program (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated regarding my availability and regarding egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronize my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:	Yes
