

S - MS 3455, Amanzimtoti

Availability status:	Available now in Durban and Umhlanga
Race:	Black
Age:	34
Hair colour:	Black
Eye colour:	Dark brown
Has children:	Yes
Proven donor:	No
Post matric studies:	Yes
Other physical information:	1.57m., 63kg., hourglass or pear shape, light skin, long natural hair, good dental smile, healthy.
Face shape:	Oval
Other personal information:	South African nationality, Christian, A+ and a regular blood donor. Candidate is a friendly, open, smart, observant, tolerant and caring person. She is also a qualified journalist, interested in media, creative platforms and social issues/motivational, women and children issues, charity and church. She loves to see people happy, successful and motivated. She genuinely loves children, if she were not so overprotective or sensitive she would be a daycare teacher. She loves family.

	Non-smoker. Reason for donating: I know from close friends how hard it is for women with fertility issues and I want to be part of the helping team, as much as I help with donating blood. Message to the recipient: I know from experience the joy that fills one's heart as soon they become a parent, you also deserve that experience.
Reproduction history:	Two children and no donations as yet.
Views on religion and spirituality:	I believe in Christ

Confirmation

I have only made myself available as an egg donor with baby2mom:	Yes
Please advise any specific donation criteria other than those mentioned:	No
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor program (screening, blood tests, scans, egg retrieval). I will keep	Yes

baby2mom updated regarding my availability and regarding egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronize my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:
