

## S - MS 4060, Johannesburg

Availability status:	Available now in Johannesburg and Pretoria
Race:	White/ Caucasian
Age:	34
Hair colour:	Blonde
Eye colour:	Hazel
Has children:	No
Proven donor:	No
Post matric studies:	No
Other physical information:	1.68m., 68kg.
Face shape:	Oval
Other personal information:	Christian, South African nationality, A+ blood group. Candidate runs a fitness studio. She aspires to open her own tattoo studio. Non-smoker. Reason for donating: I am not currently in a serious relationship and don't see the opportunity arising for parenthood in the near future. I have made peace with the fact that I will not be a mother but If I can help someone else become a parent, I would like to do it. I feel like it would be selfish and a waste if I kept this from someone that truly wants it. I read about children being abandoned and it breaks my heart knowing how much i

	<p>believed I was going to be a mom, and how people are struggling these days to have children of their own. To the recipient: Please be committed. Love him/her beyond any boundaries. I hope this brings you and your family the missing piece of the puzzle you have been looking for. And take care of yourself too. Happy Parents = Happy children.</p>
Reproduction history:	No children and no donations as yet.
Views on religion and spirituality:	<p>I am a Christian. I have had many struggles and doubts about my religion, but I still believe. Without it, I become lost, lose sense of direction. I was brought up in Church but my belief is more about living a Godly way than actually participating church services. I believe people are flawed and my perception of Christianity often gets skewed due to human opinions and nature. It's complicated to explain. I serve the God that is within me which knows right from wrong.</p>

## Additional Donor Information

### Initial Information

In which town and province do you live?	Kempton Park, Johannesburg
Nationality:	South African
Where were you born?	Winchester Hills, Johannesburg
What language(s) do you speak?	English & Afrikaans.
Year of birth:	1991
Age:	34
Star sign:	Capricorn
Blood group (if known):	A+
Why do you want to be an egg donor and if you had a message for your recipient what would it be?	I am not currently in a serious relationship and don't see the opportunity arising for parenthood in the near future. I have made peace with the fact that I will not be a mother but If I can help someone else become a parent, I would like to do it. I feel like it would be selfish and a waste if I kept this from someone that truly wants it. I read about children being abandoned and it breaks my heart knowing how much i believed I was going to be a mom, and how people are struggling these days to have children of their own. To the recipient: Please be committed. Love him/her beyond any boundaries. I hope this brings you and your family the missing piece of the puzzle you have been looking for. And take care of yourself too. Happy Parents = Happy children.
How do you best describe yourself?	I grew up with very little, but I didn't really know it. My point is, my parents made sure we were happy within ourselves and safe. And that's something money can't buy. I am quite stubborn. I love deeply. I am passionate, determined, empathetic, creative and artistic. My family and friends are the most Important thing in the world to me. I am ambitious. I have been Heavily involved in CrossFit for 9 years of which I have been a qualified coach for almost 5 years. I work as a studio manager of another Fitness Facility. I am currently learning how to become a tattoo artist and want to open my own studio in 2026. I

	want to use the talents I have been given to live the life that I want, not just live to exist. I don't think many people have the opportunity or courage to pursue this for themselves. Loyalty is very important to me. Being happy is my main goal in life.
Relationship status:	Single

**Confirmation**

--	--

I have only made myself available as an egg donor with baby2mom:	Yes
Please advise any specific donation criteria other than those mentioned:	No
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor program (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated regarding my availability and regarding egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronize my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:	Yes
