What are your feelings on animal welfare?	I feel strongly about animal welfare and believe that all animals deserve to be treated with kindness, love, and respect. It upsets me to know that animals suffer from cruelty, neglect, and abandonment. I believe we have a responsibility to protect animals, provide proper care for them, and help those who cannot help themselves. I am especially interested in animal rescue, wildlife conservation, and protecting endangered marine animals. I would love to contribute to making the world a safer and better place for animals.
Strength and weaknesses:	I would describe my strengths as being caring, creative, independent, and willing to learn new things. I am passionate about animals and their welfare, and I enjoy expressing myself through cooking, art, and dance. I am also family-oriented and value the relationships that are important to me. One of my weaknesses is that I sometimes overthink situations and can be sensitive to things that matter to me. I can also be quiet around people I don't know well. However, I am learning to manage these things, become more confident, and continue growing as a person.
