Other personal information:	South African nationality, O-blood group. Candidate is employed in photography/ videography. She has a keen interest in nature, being outdoors and is physically active. She also loves arts and has an interest in science. She enjoys cooking and baking, board and logic games. She is a bubbly person, gets along with most people and makes friends easily. She has high energy and likes to boss people around by telling them how to stand and what to do via photography. People also refer to her as fiery but cute.

	<p>She dislikes confrontation but I will stand up for herself.</p> <p>Message to the recipient:</p> <p>Thanks for choosing me! I hope that you will get a little bundle of joy. I like the idea that a little bit of me can live on and bring joy to a family at the same time. And I really hope your child will get these dimples! They are just too cute not to be passed on.</p>
Reproduction history:	No children and proven donor.
Views on religion and spirituality:	I am a spiritualist, I believe there is a God but that people twist him to the view that suites them best and use religion as a way to manipulate people. I have no problems with other peoples religions as long as they don't force their beliefs on me. I will respect it but won't adopt it.

Additional Donor Information

Initial Information

In which town and province do you live?	Centurion, Gauteng
In which province do you live?	Gauteng

Where were you born?	South Africa, Gauteng
What language(s) do you speak?	Afrikaans and English
Year of birth:	1993
Age:	31

Star sign:	Virgo
Blood group (if known):	O-
Why do you want to be an egg donor and if you had a message for your recipient what would it be?	I want my DNA to live on, and I am not ready to be a parent. I also like the idea of helping someone and making their dreams come true. My message would be: Thank you for choosing me, I hope that you will experience joy with this and that you will get many exciting challenges and experiences from your child. I wish you all the best and hope you will be happy together
How do you best describe yourself?	I am a bubbly energetic person, I get along with most people and make friends easily. I am adventurous but also like or don't mind to do things by myself. I like to boss people around and can fully do that with my photography by telling the people how to stand or what to do. I am short but proud of it, most people say I am cute and fiery, so they tend not to mess with me. I can be stubborn when I want to be, and my personality makes it so that I am not bullied easily. I like to think of myself as a happy go lucky person and try not to take life too seriously.

donor with baby2mom:	
Please advise any specific donation criteria other than those mentioned:	No
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor program (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated regarding my availability and regarding egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronize my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor.
