Other personal information:	Dual American and South African citizenship, B+ blood group. Candidate was born in Memphis Tennessee and relocated to New York city for 5 years of her life, living on the upper-west side in Manhattan. She holds a BA Law degree, graduated at the age of 20. She is currently busy with her honours in criminology and criminal justice. In 2021 she

	<p>anticipated completing her MPhil in hate crimes against sexual minorities. In 2022 she will enrol for her DPhil in human rights law. She was the head of academics and transformation in 2019 for the faculty of Law at the University of Pretoria. She is currently a researcher. She describes herself as a sensitive empathetic person. She is affectionate, caring and enduring. She is also a poet, publishes at least three poems annually. She enjoys keeping conversation in academic circles, but I also enjoy colloquial conversations about everyday life. She has a tendency to be shy and introverted at times but also very courageous at the same time. She enjoys theatre productions, art galleries, symposiums and classical music. She plays the piano, violin, guitar and ukulele. She is friendly with strangers, greets them with respect and enjoys seeing the same respect reciprocated. Non-smoker. Reason for donating: I think life is beautiful, and if I can contribute to make someone else's life more beautiful, I will do it gladly. I live by a motto saying 'first, do no harm'. Through this, I have experienced that you should always give what you are fit and able to give. By this, I want to enrich people's lives by anything I can do.</p>
Reproduction history:	Proven egg donor and no children as yet.
Views on religion and spirituality:	I am Catholic
