Blood group (if known):	Unknown
Why do you want to be an egg donor and if you had a message for your recipient what would it be?	I want to be an egg donation as I I was touched by a mother on social media sharing her struggles with trying to conceive, only to be met with failure. However, with the help of donation she explained that her dream of becoming a mother came true. I'm passionate about women and saw this as an opportunity to bring a positive change in people's lives.
How do you best describe yourself?	With a heart full of love and a strong sense of purpose, I'm dedicated to living a life of intention and service. I'm inspired to donate to families in need . I'm excited to see where my journey takes and how I can grown, learn, and make a difference in the lives of others.

Preferred town to donate:	Johannesburg
Towns available in which to donate - travel costs will be covered:	Johannesburg

Confirmation

I have only made myself available as an egg donor with baby2mom:	Yes
Please advise any specific donation criteria other than those mentioned:	None
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor programme (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated wrt my availability and wrt egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronise my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:	Yes
