Other personal information:	<p>Zimbabwean nationality, Scorpio star sign. Candidate is a psychology student and comes from a very academic family. She is outspoken person who is passionate about making a change in her society and fighting against social injustices. She enjoys debate, public speaking, cooking and taking lots of pictures. She is always thinking and tries to be the best that she can be. She is a people lover and enjoys new cultures. Non-smoker.</p> <p>Reason for donating: I am passionate about the joys of other people, I would love to bring joy to a couple that is failing to have children. I</p>

	remember years back when my uncle's wife was abolished because she did not have children and could not bear an heir, although I was young I saw it was a tough time for the family, I could not do much and had no knowledge of how I could make an impact. I have since researched egg donation and decided I want to be a part of a miracle that could change the lives of people.
Reproduction history:	No children and no donations as yet, strong twin gene in family.
Views on religion and spirituality:	I am a believer that is something greater than we are, something spiritual, could be God, Allah, ancestors or anything, am open minded.

Egg Donation Stipulations

Please indicate if you have any donation conditions or criteria such as persons to whom you prefer not to donate:	None
Towns available in which to donate - travel costs will be covered:	

Confirmation

I have only made myself available as an egg donor with baby2mom:	Yes
Please advise any specific donation criteria other than those mentioned:	None
All information provided is correct and pictures are all of me. I agree to keep baby2mom updated with the donor program (screening, blood tests, scans, egg retrieval). I will keep baby2mom updated regarding my availability and regarding egg donation pregnancies achieved. I consent to participate in the baby2mom egg donor program and participate as required and understand the concept of anonymous egg donation and claim no further rights over any child(ren) conceived of egg donation. I agree that I will be prescribed medication to potentially synchronize my menstrual cycle with that of the recipients and will be given hormones in a controlled environment by professional fertility specialists to stimulate donor egg development. I agree to	Yes

find more information pertaining to egg donation on the baby2mom egg donor site or ask if I have any further questions about being an egg donor. I agree to participate as required as people often travel from international destinations to participate in a South African egg donation program and have incurred considerable financial and emotional costs:
